State Final Four 2000, 2010, 2019
State Finalist 2010

Our Core Values

Selfless- Men of character place their personal ambitions aside for the sake of all.

Accountability- Men of character are responsible for their actions, are dependable, punctual, reliable, respectful, disciplined, courageous, honorable and trustworthy.

Mentally Tough- We will persevere in the face of adversity. In the game we play and the game of life, those who refuse to quit will always be victorious.

Our Mission

Building Character For a Lifetime- There are many great lessons to be learned from football about character, hard work, self-discipline and teamwork. We will strive to make them better football players but, more importantly; our ultimate goal is to make them better men.

Our Philosophy

Every TEAM member and coach agrees to have a unselfish, egoless attitude in which the TEAM wins with an aggressive, punishing defense, a superior kicking game and a highly diverse, volatile offense. Our work habits will be unrivaled and TEAM goals will always supersede individual accomplishments.

Our Desire for our players

Have FUN playing the game, Become the best TEAM possible, Represent SMHS with class, Take something from the program that will make us better people.
