12 Factors Other Than Ability That Impact Playing Time

- 1. Do you hustle? Our primary goal should be to hustle more than the opposition. If we run harder and work harder than the other team, we will make them earn everything. 100% all of the time, no exceptions!**
- 2. Do you support your teammates? We are a family; it's all about US!**
- 3. Do you communicate well? Do you lead or follow? Influential?**
- 4. Do you focus only on yourself? Our primary focus should be on our team goals not personal ones. We win and lose as a team.**
- 5. Do you freak out after making mistakes? A player who cannot control their emotions can provide major distractions for the team focus.**
- 6. Do you learn from your mistakes? Players learning from mistakes are the ones that will help contribute to long-term success.**
- 7. Do you keep a positive attitude? By focusing on the process, we can remain positive about the result- good or bad- as long as we did what we were supposed to do.**
- 8. Do you complain about your role? Earn a significant position otherwise fulfill your role to the best of your ability.**
- 9. Do you stay focused? Preparation sets us apart from the others!**
- 10. Do you follow instructions? Are you coachable or a liability?**
- 11. Do you fulfill your responsibilities? Those that do what they are supposed to do without being constantly reminded are invaluable.**
- 12. Do your actions reflect the situation? Players thinking on their feet about the situation and what they need to do are destined for success.**
